With businesses
and schools
closed, families in
Bukoba go to the
community farm
to work.

Refugee children are grateful for food and sanitary supplies. They send prayers of gratitude.

A woman wearing a colorful floral dress and a patterned face mask is standing in a warehouse. She is holding a green cup and a black bag, possibly weighing or packaging food. The warehouse is filled with large stacks of white sacks, some labeled 'SHAROM' and 'MAIZE FLOUR', and yellow bags of cornmeal. The text 'Basic food supplies are prepared for distribution' is overlaid on the image.

Basic food supplies are prepared for distribution
